

Our Customer Charter

Our promise to you

Introduction

We're committed to delivering great customer service all day, every day.

We must meet certain standards by law, and our **Customer Charter** contains information on these standards and our promises to you.

Towards the end of this document, we have set out how to contact us, as well as more information on the other services we provide.

This document has screen reader available. If you need further support, please contact a member of our Extra Care team on 01737 785606. They're available Monday to Friday 8am – 5.30pm.

Appointments (visits)

We'll respond as quickly as possible in an emergency, but sometimes a pre-agreed appointment may be the best way to help resolve your issue.

Making appointments

- If we need to make an appointment to visit you, we will give you notice that we'll visit during a morning or afternoon slot
- If requested, we will give you a two-hour time slot when we plan to visit you

Keeping appointments

- We'll automatically pay you £30* if we fail to:
 - visit you on the day we said we would
 - visit you during the morning or afternoon slot
 - visit you within the specified 2 hour time slot
 - give at least 24 hours if we wish to cancel or change your appointment

We offer additional support for home visits, such as a knock and wait service for those who may need a little longer to answer the door and to protect you against bogus callers. All our staff have an identity card with a name, photograph and company logo. Please see our Priority Services page for more information <https://seswater.co.uk/your-account/priority-customers>

Or scan the QR code

*Payment will not be given where the customer has cancelled the appointment, where we have given at least 24 hours' notice, or where it's impossible to keep the appointment due to severe weather.

Written Complaints

We hope you never have to make a complaint about your water service, but if you do we want to hear from you so we can try and put things right.

- We aim to resolve your complaint as quickly as possible, and we promise to provide a substantive response to your complaint within 10 working days from the date we receive it
- If we fail to meet this standard, we'll automatically pay you £30*

Full details about how we handle complaints, including our complaints procedure, can be found in our Customer Information Hub <https://seswater.co.uk/your-account/customer-information-hub>

Notice of interruption to supply – planned

During planned maintenance or repair work, we may need to turn off your water supply.

- If we need to turn off your water supply for more than four hours, we'll let you know in writing at least 48 hours beforehand
- We'll also let you know when we plan to turn your water back on, and we'll do so by the time we have said we will (if not before)
- If we fail to tell you when we plan to turn your water off, we'll automatically pay you £30 if you're a domestic customer (or £60 if you're a business impacted by disruption)*
- If we don't get your water back on by the time we said we will, we will pay you £30
- We will pay you an additional £20 (or £35 if you're a business) for each 24-hour period you remain without a water supply

*We must be able to identify you as being affected by proposed interruption to your water supply and you have not made a claim within three months of the date on which the supply was cut off.

Notice of interruption to supply – unplanned

During an emergency (such as a leak or a burst water pipe) it may not always be possible to pre-warn you about a possible interruption to your water supply.

- We'll do our best to let you know what's happening, when you might expect your water to be back on, including details of where to get further information or an alternative water supply (if required)
- We'll aim to get your water back on within 12 hours in the case of a burst pipe or any other emergency, but we will try to do this sooner whenever this is possible
- Repairs to our major supply pipes (we call these strategic mains) may take longer, and in these cases we'll aim to get your water back on within 48 hours from the time we first become aware of the interruption
- If we fail to get your water back on within 12 hours (or 48 hours in case of a strategic main), we'll automatically pay you £30 if you're a domestic customer (or £60 if you're a business impacted by disruption)*
- We'll pay you an additional £20 (or £35 if you're a business customer) for each 24-hour period you remain without a water supply

*We must be able to identify you as being affected by proposed interruption to your water supply and you have not made a claim within three months of the date on which the supply was cut off.

Low pressure

- We must maintain a minimum pressure in the communication pipe (at boundary of your property*) of seven metres static head (0.7 bar)
- If the pressure falls below this on two occasions or more, with each occasion lasting more than 1 hour and occurring twice within a 28 - day period, then we will pay you £35

*Payment will also not be made if the fall in pressure is because of a burst, planned work we are doing on our water mains, or because of problems on your own pipework. In addition, we will only make one payment for the same problem in any given year.

Important information

The intention of this document is to serve as a general guide to the guaranteed standards of service we offer and does not attempt in any way to set out in full our legal obligations to you.

Our payments do not constitute an admission of liability on our part, and if you accept a payment it does not affect our liability to you. If you require more information, please contact us using the details provided on page 8.

Our guarantees do not apply if we are prevented from meeting our standards as a result of the actions of a third party acting on our behalf, or exceptional circumstances outside of our control (such as extreme weather conditions, or industrial action by our employees). There are also some other restrictions related to specific standards which are available upon request.

We may credit your account with any of the payments due under these standards, in place of making a direct payment to you.

If you're unhappy with anything in this document, please get in touch with us using the details on page 8 , or you can contact Ofwat – the regulator for water services – directly using the address below:

Water Services Regulation Authority (Ofwat), Centre City Tower, 7 Hill Street, Birmingham, B5 4UA
